In the Community

2000 at Trunk-or-Treat

All glory to God! The weather last Saturday was BEAUTIFUL, and it was a great day to host Trunk-or-Treat at Wells Street.

THANK YOU to all who participated in some way. We needed each one of you! You guys blew us away with your trunks, your creativity, and your hard work. To those who worked at the registration and food tables, WOW, we kept you busy!!!!

There were over 1800 officially registered, but we saw many that did not. We estimate there were over 2000 people on our property this weekend!

Saturday we saw the body of Christ welcoming our neighbors in an amazing way. As our church family waited in line with their kids they got to know the people next to them! Masked or unmasked, smiles were everywhere!

WE RAN OUT OF CANDY. 6 TIMES! Hulk Hogan (Kyle Wood), plus a couple of our awesome deacons, went on 6 candy runs! We'll have to increase our "ministry tool" goal for next year!!

We don't know what next year's event will look like, but we

learned a lot from this event, and we hope we continue welcoming our community with the same enthusiasm, creativity, and love for years to come.

Thank you for praying over this event, participating, and doing so with such happy hearts! The energy in that parking lot was high, and people really enjoyed themselves.

We had many people express their appreciation for such a fun, safe event, and the pat on the back has to go to all of you. THANK YOU, THANK YOU, THANK YOU. ■

WAR PRODUCTS

WHAT YOU NEED TO KNOW

At least 90% of the profits go back into programs that are helping the individuals WAR serves.

WHO MAKES OUR PRODUCTS?

WAR, Int'l. has worked with partners in over 51 countries, including Uganda, Sudan, India, Thailand, Nepal, Pakistan, Kosovo, the Dominican Republic, the United States, and many other countries.

Not all of our partnerships involve product. Product comes primarily from three types of programs: micro-enterprises, vocational training centers, and safe houses. Micro-enterprises and vocational training centers are generally formed around product creation, providing employment and skills training.

Some of our products are made by at-risk women and some by rescued women. Some of our products are even made by at-risk or rescued men. We also carry a few items that are not made by those at risk but are sold in support of them, like books. Our products fall into three categories based on the types of programs that produce them:

PREVENTATIVE

Preventative programs focus on those at risk, striving to "rescue" vulnerable women, men and children from exploitation before it escalates.

CURATIVE

Curative programs provide therapeutic communities in which those who were trafficked, abused, or abandoned can find safety, comfort, and healing.

SUPPORTIVE

Supportive programs help to maintain and expand WAR's projects. Supportive products include items like books, necklace extenders, and Pray for WAR Babies bracelets.

Video Recording: Sat, Nov 21 | 9am Wells Street Chapel

Karin, Reggie, & Eric (Bloomingdale Elementary staff) are ready to enjoy Chick-fil-A for dinner during a long day of teaching and parent-teacher conferences.

Bloom where you're planted

Did you know we have a partnership with Bloomingdale Elementary, located in our Wells Street neighborhood?

We are finding ways to come alongside, encourage and engage the students, families and staff.

Just this past week, Headwaters supported the staff of Bloomingdale Elementary by providing dinner during parent-teacher conferences.

Thanks Chick-fil-A for delivering some tangible appreciation!

During this school year we have provided students with Headwaters water bottles to use during their school day and were able to invite them to our Trunk or Treat event.

We look forward to our continued partnership!

Thanks for your faithfulness which makes all this possible!

Parent / Child Dedication

Headwaters Church believes children are a gift from God, and we are glad that you desire to dedicate your child to the Lord. You may dedicate your child at any age. Headwaters Church plans two Dedication Services each year, one in the spring and one in the fall.

Our next Dedication Service will be November 22.

Please fill out an application so we can contact you to discuss with you what role Dedication plays in our faith. **Application deadline is Nov 11.**

Be aware there is also a **REQUIRED Parent Class for all first-time dedicating parents Nov 15.**

All returning parents are encouraged to attend, as a way to refocus on your commitment before the Lord. Please consider your schedule in choosing when to dedicate, as ALL parents wishing to participate in the Dedication Service are required to attend the Parent Class at least once.

As a church we care deeply about your family's spiritual growth. We want to come alongside you as you train up your children in the discipline and instruction of the Lord. We are excited to help you in this step of Dedication.
