His Church is not a building or a physical location. It is a living, breathing, holy temple built with living stones.

"Making this decision was very difficult for all of us because vbs is a week unlike any other throughout the year where kids grow in their knowledge and love for Jesus. Unfortunately with the corona virus we decided not to have it this summer because we could not ensure the safety of the children or their families. We are excited however for a few alternative ideas to bring the love of Jesus to the children of our church and community in the coming weeks!"

The Thursday Men's Bible Study ... It's a Wrap

"This past week, the Men's Ministry wrapped up a 9-week online study in Proverbs. It was a compelling study that provided a great opportunity for us as men to connect with one another and to encourage one another in the faith. Truly, there is something uniquely special about a men's Bible study. I am looking forward to August when we will resume our Thursday Men's Bible Study in person."

JIM GLOVER

"In the capacities that I have served at headwaters through the years, I have had fewer chances to meet other men and get to know them. This Bible study, especially the breakout sessions have allowed me to get to know so many that I wouldn't have otherwise. Getting my brothers in Christ's input while studying in Proverbs was a delight. Though God sent us some tough lessons, together we could work through the application. That was uplifting. Finally, after all these years, I'm getting used to Jim's jokes."

CRAIG SMITH

"I appreciate the effort from Thad and Craig to present challenging lessons every week. I was thankful for the men that faithfully showed up on ZOOM every week to be a part of the group. In the smaller groups, there were men that made contributions regularly. I was very thankful for those men that even though they rarely said a word, they showed up. That meant a lot to me for them to make that commitment. I look forward to the meetings we can have face to face and develop the bonds."

STEVE GORDON

"It was so good to have an in depth study on the first four chapters of Proverbs. Especially when all I really had for male community during this time was my coworkers, it was good to be reminded of the Lord's goodness in giving us the body of believers. I also think it was so cool how a believer from across the world was able to be involved."
