"I cannot miss the powerful reminder that God is giving all of us in our church family. His Church is not a building or a physical location. It is a living, breathing, holy temple built with living stones. We are a spiritual house. We are His salt and His light in and on this earth."

Headwaters Kids

Summer Fun. Water Day a Blast

Headwaters Kids had a GREAT Day Camp this week. Water day was a great success, and as promised EVERYONE got wet!

We had 41 volunteers and 59 kids participate!

Kids learned about the great power of our God, above all other gods, made some beautiful squirt gun art, and played some water games.

Thanks to everyone who contributed to the success of the day! ■

Coronavirus Update

We Continue to Monitor

Governor Holcomb announced this week that Indiana will remain at Stage 4.5 of re-opening.

At Headwaters we will continue to practice some social distancing. We ask that, if you would like to talk with others after services that you move those conversations outdoors.

Please stay home and join us on Livestream if you or any member of your family has had suspicious symptoms or if you have come in contact with someone with the virus.

As our Fall programming is set to begin, we will continue to monitor COVID trends as well as decisions made by state and local authorities and our local schools. ■

Community

Our Legacy Adult Bible Fellowship is a more than a class—we're a community!

As believers, we are called to impact our world with the love and message of Jesus Christ. Everyone. Everyday. Everywhere.

This call is both timeless and ageless. So while many have bought into the myth that there is some magical age at which one retires—even from Christian service, WE KNOW BETTER!

As a community of believers, we are serious about glorifying God and investing our lifetime of knowledge, experiences, resources and abilities to impact

our world with the love and message of Jesus Christ! One Generation to Another.

Re-Gathering

To accomplish our mission, it is vital that we gather together, to study God's Word and to encourage one another in the faith.

For that reason, we are pleased to announce that beginning Sunday, July 26th, the LEGACY ABF will resume meeting in-person, for those who are able to safely attend.

**Legacy will meet at
9am at Wallen Road and
10:45am at Wells Street.**

Zoom

For those in our class who cannot safely attend, we will broadcast the in-person ABF gathering on Zoom, at **9 am and 10:45am**, in place of our Sunday night Zoom meeting, starting **Sunday, July 26th**.

Precautions

For our in-person ABF gathering, we will practice social distancing—and we will encourage everyone attending to wear a mask for the benefit and protection of others. ■
