His Church is not a building or a physical location. It is a living, breathing, holy temple built with living stones.

Playing church softball has been a great opportunity to get to know some of the other men in our church. I'm thankful for an avenue to be active while also encouraging one another in life. You should definitely play next year.

Men's Softball

We are four games into 2020 Church Softball. Headwaters has two teams again this year, one playing in Division A and one in Division C.

Both Headwaters teams won Monday night, including

Team C winning both ends of a double header.

Games are played Monday nights in New Haven at Kreager Park. Bring your lawn chairs or join us on the bleachers to cheer on our teams. ■

Wells Street Update

Work Day a Success

Around twenty people came out last Saturday to lend a hand at Wells Street.

Outdoor clean up included mulching, clearing brush, and removing a very large branch that came down in a storm the night before.

Volunteers removed debris, cleaned floors, and scraped years of wax build up from the floor of the Chapel entrance and balcony, while others prepared the apartment in Building 7 for custodian, Andrew Gruber, to move in. ■

Restored plaster elements get an artistic finish to bring out the beautiful details abundant in the 1930s Chapel.

Andrew Gruber mulches in front of Building 6.

Angela Kreager cleans cabinets in Building 7.

Dana Platter and James Kvas finish up yard work on the Wells Street Campus.

Carol Schrock scrapes wax off the original tile floor in Chapel entryway.

Kate Potter meticulously cleans one of the decorative floor tiles.

Casey Sheridan rakes mulch by Building 6.

Angie Kuhn cleans original bathroom floor tiles in Building 7 apartment.

Dawn Anderson and Amy Oehler scrape wax from Chapel balcony.

Italian Tile, Buried Treasure

If you have walked through the front entrance (off Wells Street) into the Chapel you may or may not have noticed the unique inlaid tiles buried beneath 50-60 layers of wax.

Work to uncover and rediscover the original beauty of this floor is underway.

Interesting to note: We have learned that these 3x3 inch decorative tiles are handmade at only one place in Italy and today can cost between \$250-900!

Men's Bible Study Fall Semester

Has there ever been a more urgent time for Christian men to stand up and be counted?

Here in 1 Corinthians 16:13-14, Paul summarizes his entire letter to the Corinthian church in five essential commands. His message to this divided and dysfunctional church is powerful.

Here is THE WAY FORWARD. It is a call to action. Every problem and failure that had troubled them and marred their testimony for Christ, could be overcome by doing these five things and doing them faithfully. Here are the essential steps of a godly man. Here is the pathway to living a God-honoring life.

Our study, "THE WAY FORWARD Essential Steps of a Godly Man" will provide clear direction and encouraging accountability that will help you grow in your faith and in your faithfulness to Christ—to become a rock solid man of God.
