Headwaters News

Campus Closed, Water Main Break

A water main on the south side of the campus broke Wednesday just before evening programs began.

Thankfully it was only a trickle, so the evening's events went on as planned. Facilities Manager

Jack Kuhn turned off the water main after STEPS, Youth and Awana wrapped up.

The water main feeds all 7 buildings, so all events and the Church Office were closed Thursday and Friday. ■

Noah's HOPE

Ministering to families
in our city grieving the
loss of a baby.

Headwaters Women

Reaching the Brokenhearted

Hope and Healing

Over the past 14 years Noah's Hope has offered comfort to thousands of families in our community, including many in our own church family who have experienced loss.

What a privilege it is to come together as a church family to pray for and encourage the brokenhearted in our community in this small, but very tangible way.

We routinely have local families join us to assemble some bears after receiving one themselves, as a way to honor their child.

The Numbers

Did you know that 1 in 4 women will experience miscarriage, infant loss or still birth? Did you know that each year around 150 mothers leave our local hospitals with empty arms. That's about 30-40 from each hospital.

Each year the Women of Headwaters prepare "Noah Bears" for Labor and Delivery and NICU units, as well as "Small Bears" for women experiencing miscarriage or early loss. The bears are delivered to area hospitals by Headwaters volunteers.

Introducing "Baby Bear"

As we've worked with local hospitals we have learned of a need for bears that could be given siblings. We have purchased 400 "Baby Bears" for this purpose. Each will come with a note to the child. We pray these "Baby Bears" will bring comfort to children in a confusing and painful time as well as offer a tangible connection to the brother or sister who did not come home from the hospital.

Join us

You don't have to be crafty. If you have received comfort from God in your troubles (2 Cor 1:3-4), then we'd love for you to join us!

New Kids Check-in System Coming Soon!

Headwaters Kids will be installing self-check stations in the coming weeks.

We want to increase security in retrieving your child from their classroom as well as convenience for parents.

Parents will be able to check kids in on the **Church Center app** or at a **self-check station** and then print a label.

Checking in on your way to church on the Church Center app will generate a QR code and allow you to quickly retrieve a label at the self-check station before you drop off your child.

We're setting up multiple stations and will be emailing parents in the coming weeks with specific information on what to expect.

Thanks for your patience in learning a new routine! ■
