PFW SERVICE APRIL 14 | 10-11:30AM

We are excited to come together for ONE worship service! Having two services offers flexibility and is necessary because of our building capacity, but we often miss each other and don't really experience the entirety of our church body. The painting of the North Gym necessitated we vacate for a Sunday and we are taking full advantage of this opportunity!

Join us for this special day and enjoy the unity of singing praises and receiving the Word preached, *together*. At the conclusion of the service, our elders will share updated information about our Sanctuary Construction project...including renderings! It is going to be a special day in the life of our church family. Please plan to attend!
