The Headwaters Church Podcast aims to help those at the church, and Christians more broadly, to think deeply and frequently about their faith and how it gets lived out in the world.

NEW EPISODE OUT NOW ON
CHURCH MEMBERSHIP *& A Bonus Episode*

We are living in a time when commitment is a rare commodity, it should come as no surprise that church membership is a low priority to so many believers. Sadly, it is not uncommon for Christians to move from church to church, never submitting themselves to the care of elders and never committing themselves to a group of fellow believers. In this episode, Luke & Scott attempt to answer the question, “Why Church Membership”?

We need people to:

- Donate perennials from their home
- Donate annuals
- Plant flowers
- Help water throughout the summer months
- Help trim/maintain the plants
- Help with fall cleanup
- Donate bulbs/help plant bulbs in the fall

HELP TEACH FOR HEADWATERS KIDS THIS SUMMER

Headwaters Kids is looking for summer help. We have an awesome group of teachers that teach every single Sunday and need a little more help in the summer. If you are looking for a shorter commitment time, will you consider serving more often for the summer months?

Reach out to Erin Wood for more information at ewood@headwaterschurch.org.

PARENTING WORKSHOP

Jen Potter
*Breakout speaker at
the workshop*

Around 70 parents with kids of all ages attended the Parenting Workshop Friday and Saturday. Parents enjoyed Baker Street boxed meals while their children enjoyed popcorn and a movie night. A special thanks to the many 20-Somethings who volunteered to love on the children all weekend. Parents soaked in biblical truths about parenting and principles to consider during three main sessions over the weekend from elders Troy Schrock, John Suciu, and Steve Dusseau. Two break-out sessions rounded out the event with attendees having opportunity to ask panelists questions about how to apply these truths practically. Many tried and true resources were showcased and many people won resources in a drawing! **Parents came away with not only a biblical framework for parenting, but also practical ideas to use in their homes no matter what their kids' ages and encouragement to persevere in the hardwork of discipling children.** If you did not get a chance to attend this year's workshop, you won't want to miss the next one which will be offered in the spring of 2025. Also, plan ahead now to attend the Marriage Retreat coming in 2024!

*Parents came away with encouragement
to persevere in the hardwork of
discipling children.*
