PFW SERVICE APRIL 14 | 10-11:30AM

We are excited to come together for ONE worship service! Having two services offers flexibility and is necessary because of our building capacity, but we often miss each other and don't really experience the entirety of our church body. The painting of the North Gym necessitated we vacate for a Sunday and we are taking full advantage of this opportunity!

Join us for this special day and enjoy the unity of singing praises and receiving the Word preached, *together*. At the conclusion of the service, our elders will share updated information about our Sanctuary Construction project...including renderings! It is going to be a special day in the life of our church family. Please plan to attend!

EGG HUNT

I am continually blown away by the generosity of the Headwaters Church Body.

We had donations of raffle items and candy before the event, many hands stuffing eggs, about 75 volunteers the day of, and a small army putting eggs back together after the Egg Hunt finished. Our community was so thankful for this fun, safe opportunity for their kids, and I'm delighted to pass their thanks along to all of you. Thank you for helping prepare for the event and also for being an extension of our church and of Christ during the event. It truly is beautiful to watch it unfold. Thank you!!
