Community Outreach

Volunteers Needed for Bloomingdale Neighborhood Survey

"How can we best be involved in our community? Good question, right? What if folks in our neighborhood have the answer? May 8th and 12th we are going to ask them that very thing. Come and join us as we survey our neighbors with three simple questions."

John Suci
Senior Pastor

Now that we are all "twogather" at Wells Street we want to introduce ourselves to the neighborhood! We want to find out what their needs are and find ways we can share not only the Gospel, but our lives and hearts as well—in real and practical ways.

We will be sending out survey teams on two different dates: **Saturday, May 8, from 9am-noon**, and **Wednesday, May 12, from 6:30-8pm**.

Volunteers need to be no younger than high school age. You will be provided with a Headwaters t-shirt and a lanyard and badge identifying yourself. No children please.

We will gather before hand in

Meeting Room A in **Building 2**. You'll then be put in groups of three and given directions as to what streets to cover.

These are the 3 questions we will be asking:

What do you like most about your neighborhood?

What do you like least about your neighborhood?

How can Headwaters Church be a good neighbor?

We ♥ Bloomingdale ELEMENTARY

Opportunities to Serve

You've Blessed Bloomingdale Teachers

Headwaters has been looking for ways we can bless Bloomingdale Elementary—especially the teachers.

They hold a Teacher Gathering every Friday morning that the teachers have been taking turns providing snacks for.

We decided to provide snacks for the last 6 weeks of school and their last teacher day.

The teachers were surprised and thankful for your generosity. They have been truly blessed by this small gesture.

There is no parent organization supporting this elementary. This simple act of kindness has spoken volumes to them!

There are just a few more spots to be filled on our sign up for May 20 & 27.

If you are able to provide at least **1-dozen pre-packaged snacks** (store-bought or homemade), sign up [HERE](#), on our website, or with the App. ■

Karin Klinedinst, Bloomingdale case manager, shows some of the treats you've provided for teachers & staff!

New Missionary in India

We are pleased to announce that Headwaters is supporting a new missionary in India.

The Missionary

For his safety we cannot print his name in this newsletter. We will call him S.K. S.K. is a graduate from Abraham Thomas's Logos College of Theology in 2019 with a Masters of Divinity. He is married and has one child. S.K. works to reach the Santal people

with the Gospel. He is working in two villages in the state of Jharkand.

The People Group

The Santal or Santhal, are a Munda ethnic group native to India and Bangladesh. Santals are the largest tribe in the Jharkhand state of India in terms of population and are also found in the states of Assam, Tripura, Bihar, Chhattisgarh, Odisha and West Bengal. It is very difficult to work with this people group because the majority are illiterate. Although they are not Hindus, they claim them now. So there is opposition when people try to bring them to church.

The Covid Crisis

India is in crisis now due to Covid. There were 380,000 new cases documented on April 28 and that number is increasing daily. The hospitals have no supplies and have no room.

Pray

Please pray that our missionaries in India will be able to further God's kingdom.
