WOMEN'S SUMMER BOOK STUDY

REGISTER

DEADLINE TO REGISTER JUNE 9 [TODAY!]

This summer we will be reading, "Enough About Me; Finding lasting joy in the age of self" by Jen Oshman.

Through the pages of this book, you will be encouraged to look away from yourself in order to find the abundant life God offers you through the gospel.

There are a couple ways to participate. The goal is to get this resource in to the hands of as many Headwaters women as possible. It is very unifying when we study the same topic...we are better together!

1. Join an in-person group. Several small group options are available with a variety of days, times, and locations. If you can't make all the meetings, no worries! Come when you can.

2. Purchase the book and read on your own. Group meetings may not work for everyone. There is still benefit to reading what other Headwaters women are reading. Purchase your book by signing up to take advantage of our bulk ordering!
