

# Home Discipleship Schedule

As a church we are working through the New City Catechism during our time of physical separation. We made this choice for several reasons but two deserve mentioning in relation to the following schedule:

First, we are working through a catechism in an attempt to replace thoughts of fear or frustration with thoughts of God and his gracious disposition towards his creation. This point will be emphasized over and over again.

Second, we are attempting to keep our church family in a similar state of mind and allow us to remember that even if we are apart, mentally we are pondering the greatness of God together. With this in mind the following schedule will help us to stay on the same pace.
